幼稚園 K2 生小學體驗課程

您好！為了讓家長更了解小學的生活，並為孩子 2025 年 9 月選校作準備，本校準備了一個「小學體驗課程」，讓孩子能在遊玩中體驗小學生活。

本校是一所以英文為教學語言的本地津貼小學，學生來自不同的國家，國際化的學習環境使學生能認識不同國家的文化，並能提供充足的中英文語境。現在，學生及家長可透過「小學體驗課程」更進一步認識我們，並為子女作充份的升小學準備。活動詳情如下：

Dear K2 parents,

Primary School Experience Course for K2 students

For parents to gain a better insight of Primary school life, and to prepare children for Primary 1 Admission (POA) in September 2025, we have organized a Primary School Experience Course so that children can experience learning through playing.

We are a government subsidized primary school. Our curriculum for all subjects is in accordance with the primary school curriculum guidelines set by the Department of Education. The language of instruction for all subjects is English, excepting Chinese languages instruction. Our multicultural school brings together students of many countries, allowing them to be exposed to different cultures while learning in a bilingual-language-rich environment. Through enrolling your children in the course, parents can learn more about our school and prepare children for primary school life. Details are as follows:
